

INSTRUCTIONS FIRE ALARM

1. FAMILIARISE YOURSELF WITH

- Nearest fire alarm and fire extinguisher. Make sure that the apartment has a fire extinguisher
- The escape routes: Stairway is the main route; Roof garden 3rd floor is an alternative
- Nearest fire hose

2. IF YOU DISCOVER A FIRE

- Release a manual alarm and / or call the fire service on the phone. 110
- If possible, try to extinguish the fire. NB! Local fire hose is under the kitchen counter
- Close the doors and windows. Leave the building immediately.
- If possible, get people at risk to safety

3. IN CASE OF A FIRE ALARM

- Try and close doors and windows
- Evakuer built, do not use a lift
- Assist responsible personnel and guide the fire department
- Go to your meeting place, which is the building named «Portalen» just across the street

All apartments are constructed as dense and safe fire cells. In case of fire, you must consider whether to evacuate to a suitable place or stay in your own apartment and call the fire department. The fire department will instruct you whether you are going to be on your own balcony or waiting inside the apartment.
